

**FIRST AMENDMENT
To
STATEMENT OF WORK**

THIS AMENDMENT (the “Amendment”) to the March 11, 2026 Statement of Work is entered into on 04/13/2026 (“Effective Date”) by and between Virtix Health, LLC (“VH”), and HealthTrixxs, Inc., (“HT”). VH and HT may be individually referred to as a “Party” or collectively as the “Parties.”

BACKGROUND

WHEREAS, VH and HT entered into that certain Subcontractor Services Agreement dated December 11, 2025, (the “Agreement”);

WHEREAS, VH and HT entered into that certain Statement of Work dated March 11, 2026 (“SOW”), and

WHEREAS, VH and HT mutually desire to amend the SOW in the manner set forth below.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

1. Capitalized terms not otherwise defined in this Amendment shall have the same meaning as defined in the SOW.

2. **Section 2, Scope of Work.** The first paragraph of Section 2 is hereby deleted in its entirety and replaced with the following:

“HealthTrixxs (“HT”), in connection with the Services (as later defined) is hereby engaged to evaluate Mercy’s encounter submission and Additional Submission Mechanism (“ASM”) processes. HT’s review will be based on the documentation, data, system access, workflows, logic, policies, procedures, and other information made available by Mercy and Vendor during the engagement, and is intended to identify observations, risks, gaps, and recommendations relating to CMS risk adjustment requirements and Mercy’s general RADV preparedness. HT’s Services are advisory in nature and will be performed using commercially reasonable efforts. HT does not warrant, represent, certify, attest, or guarantee the completeness or accuracy of the information made available for review, any particular compliance outcome or Center for Medicare & Medicaid Services (“CMS”) RADV audit result. HT will provide the following Discovery and Assessment services (“Services”):”

3. **Section 2(G), RAF Neutrality and Independent Assessment.** A new Section 2(G) is hereby added as follows:

“G. RAF Neutrality and Independent Assessment

- HT shall perform the discovery and assessment services described in this SOW in a neutral and objective manner. The assessment is not intended to increase, decrease, or otherwise influence risk adjustment factor (“RAF”) scores, but rather to identify process, workflow, or technology gaps that may affect the accuracy and compliance of encounter submissions.

- In performing the discovery and assessment activities, HT shall evaluate Mercy’s processes with reference to applicable CMS requirements governing Medicare Advantage risk adjustment and encounter data submissions, including principles reflected in CMS RADV audit standards. The assessment shall focus on identifying operational or technical issues that could affect the accuracy, completeness, or compliance of encounter submissions.

- The Services under this SOW are limited to discovery and assessment activities and do not include clinical coding review, diagnosis validation, or implementation of changes to Mercy’s risk adjustment submissions.”

4. **Section 3, Deliverables.** The last bullet point (now the second to the last bullet point) of Section 3 is hereby deleted in its entirety and replaced with the following:

“• Deliverables shall reflect industry standard consulting practices and commercially reasonable professional skill and care. Deliverables must be sufficiently detailed to support implementation planning.”

A new last bullet point is hereby added to Section 3 as follows:

“• All deliverables, work product, documentation, analyses, reports, and other materials created or developed by HT, in connection with the Services under this SOW shall be owned exclusively by Mercy. HT may retain and use general knowledge, skills, methodologies, and know-how developed during the engagement, provided that such use does not include Mercy confidential information or identifiable Mercy materials.”

5. **Section 4, Assumptions, Dependencies, and Client Responsibilities.** The last bullet point is hereby deleted in its entirety and replaced with the following:

“ • Information and documentation provided by Mercy during the discovery engagement will be relied upon by VH and HT. Neither HT nor VH will independently audit or independently verify the accuracy or completeness of such information and will not be responsible for errors or omissions resulting from incomplete or inaccurate information provided by Mercy.”

6. **Section 8, Financial Terms and Payment Schedule.** Under the Decision Credit to Support Rapid Next Steps, the timeframe for executing a SOW or equivalent ordering document is hereby revised from “fourteen (14) days” to “thirty (30) days” and “fourteenth (14th) day” to “thirtieth (30) day”.

7. **Section 9, Acceptance Criteria for Discovery Deliverables.** Section 9 is hereby deleted in its entirety and replaced with the following:

“• HT will provide the deliverables listed in Section 3 in draft form and conduct the readout session.
• Mercy will have ten (10) business days following receipt of the draft deliverables to provide HT with one consolidated round of comments.
• HT will address mutually agreed comments and issue final deliverables.
• Final deliverables will be deemed accepted only if they materially conform to the requirements set forth in this SOW.
• Mercy will have ten (10) business days following receipt of the final deliverables to provide written notice of acceptance or identify any material deficiencies. If Mercy does not provide such notice within this period, the deliverables will be deemed accepted.”

8. **Section 11, Services Effective Period.** Section 11 is hereby deleted in its entirety and replaced with the following:

“HT will begin providing Services on the Effective Date and will continue until all milestones have been completed, unless otherwise terminated in accordance with the Agreement. In the event HT is unable to provide the Services due to a delay in receiving required access, credentials, data feeds, payer details or approvals from Mercy, HT shall provide thirty (30) days’ prior written notice to VH and Mercy of its intent to terminate the Services under this SOW. If Mercy fails to remediate during this thirty (30) day notice period, HT may terminate the SOW in accordance with the Agreement. Upon termination of this SOW for any reason, Mercy will only be responsible for payment of Services properly performed prior to the effective date of termination, in accordance with the Agreement. HT shall promptly deliver to VH any completed or in-progress work product generated under this SOW through the termination date.”

9. Except as amended and/or supplemented by this Amendment, all other terms and Exhibits of the Agreement shall continue in full force and effect. In the event of a conflict between any term in the Agreement and this Amendment, the term of this Amendment shall control.

IN WITNESS WHEREOF, each Party has executed this Amendment as of the Effective Date.
